HUD Stimulus Bootcamp!!!

The American Recovery & Recovery Act of 2009 (ARRA) includes \$13.6 billion in projects and programs administered by the U.S. Department of Housing & Urban Development. These offer much needed assistance for local governments in these challenging economic times.

MCDA's 2009 Annual Conference will help members efficiently and effectively use the resources to make the greatest impact on neighborhoods and communities.

The conference will focus on how HUD stimulus programs including Community Development Block Grant (CDBG), Neighborhood Stabilization Program 2 (NSP2), initiatives for homeless prevention, lead hazard reduction, and energy retrofitting. Panelists will share program rules, regulations, best practices and innovative ideas for leveraging these resources. We look forward to seeing you and your team at this intense and valuable training!

More details will follow in June. For more information please contact Ken Bishop at SEMCOG, the Southeast Michigan Council of Governments at (313) 324-3359.
