The 2010 MCDA spring technical assistance conference, *HUD Programs: Regulations and Reports*, will focus on regulations and reporting requirements for HUD's Section 3 and HOME programs as well as innovative practices. In addition, MSHDA and partners will discuss implementation of their successful NSP 2 grant application.

As Michigan communities continue to weather the economic storm, it is imperative that all sources of revenue are tapped and reporting requirements met. In response to attendee requests, an entire session will be devoted to updates on state and federal programs affecting local communities by HUD and MSHDA representatives.

The MHRSN track will have sessions on current rehab regulations and trends.

Platinum sponsorship for this conference has been provided by SEMCOG, the Southeast Michigan Council of Governments. Other co-sponsors include the Detroit Office of the U.S. Department of Housing and Urban Development (HUD), and the Michigan State Housing Development Authority (MSHDA).

Look out for a complete agenda in the next two weeks. For more information regarding this event, contact Ken Bishop at SEMCOG at (313) 961-4266.
